PLANNING COMMISSION

RESOLUTION

(COMMITTEE ON AGRICULTURAL PERSONNEL)

New Delhi, the 18th March 1957

No. PC(IV) 5(II)4/57.—During the first Five Year Plan, with the organisation of national extension and community projects and development of new programmes in agriculture and allied fields, the requirements of trained personnel increased rapidly and shortages were experienced in several directions. In 1954-55 and 1955-56 by way of preparation for the second

Five Year Plan, steps were taken to expand training facilities in agriculture and animal husbandry. The provisional targets of agricultural production proposed for the period of the second Plan have been recently revised in consultation with States. It is considered that in view of these targets and the programmes being undertaken through national extension and community projects, the demands for trained personnel, both in numbers and in quality, are likely to be larger and to increase more rapidly than was anticipated three years ago. Moreover, it is essential to institute early enough arrangements for training personnel of different grades in sufficient numbers, having regard to

the probable requirements for the third Five Year Plan as well as long-term proposals for development in agriculture and other fields which are presently under examination. Accordingly, the Planning Commission (Government of India) have decided to constitute a Committee on Agricultural Personnel.

2. The Committee will consist of—

Chairman

- (1) Shri P. N. Thapar, ICS., Secretary, Ministry of Agriculture, Government of India, New Delhi.

Members

- (2) Shri B. R. Tandan, ICS, Secretary, Ministry of Community Development, Government of India, New Delhi.
 (3) Sardar Nawab Singh, ICS., Adviser, Programme Administration, Planning Commission, New Delhi.
 (4) Dr. M. S. Randhawa, ICS., Vice-President, Indian Council of Agricultural Research, New Delhi.
 (5) Shri L. P. Singh, Directorate of Manpower, Ministry of Home Affairs, New Delhi.
 (6) Shri G. G. Takle, IFS., Inspector General, Forests, Ministry of Agriculture.
 (7) Dr. B. N. Uppal, Agricultural Commissioner, New Delhi.
 (8) Dr. L. Sahay, Animal Husbandry Commissioner, New Delhi.
 (9) Dr. L. C. Sikka, Dairy Development Adviser, New Delhi.
 (10) Dr. J. S. Patel, Agricultural Adviser, Ministry of Community Development, New Delhi.
 (11) Shri Pitambar Pant, Scientific and Technical Manpower Division, Planning Commission, New Delhi.

Member Secretary

- (12) Shri J. V. A. Nehemiah, Secretary Indian Council of Agricultural Research, New Delhi.

3. The terms of reference of the Committee on Agricultural Personnel will be:—

- (1) to examine the present position in regard to the supply of trained technical, scientific and administrative personnel, with special reference to existing or expected shortages,
 (2) to make a fresh assessment of requirements for trained personnel during the second and the third Five Year Plan, keeping in view the increased targets of agricultural production and the long-term proposals of development in different fields;

- (3) to review the present programmes for the expansion of training facilities and the progress made in their implementation;
 (4) to recommend measures for augmenting training facilities and to formulate a phased programme for giving effect to them; and
 (5) to make such other proposals as may be considered necessary.

The Committee will consider the various aspects of the problem in relation to all grades of personnel required for programmes of Development, Extension, Research and Education in the fields of Agriculture (including Agricultural Engineering and Horticulture), Soil Conservation, Animal Husbandry and Dairying, Fisheries, Poultry and Forests as well as in respect of Village Level Workers. In making its proposals for developing training facilities the Committee will consider the forms of training, including basic training for each grade of personnel, in-service, post-graduate and specialised training and refresher courses.

4. The Committee may co-opt additional members according to requirements.

5. The Committee is expected to report by the end of 1957. It may submit interim proposals for implementation with effect from 1958-59.

6. The headquarters of the Committee will be located in New Delhi.
